The Fallon Paiute Shoshone Tribe and the Fallon Tribal Health Center have goals to improve and maintain the physical, social, emotional and spiritual wellness of its people.

On June 1, construction began with CWX Architects, Simerson Construction and Womer & Associates Construction on the tribe’s new Toi-Ticutta Wellness Center located at 8955 Mission Road. Digging trenches for water and septic lines and cutting of concrete for the new facility has been done to begin its preparations for the new facility. In addition to the wellness center being built, the parking lot is being revamped and landscaping will be done to beautify the area. King Construction workers have ripped up its old parking lot preparing to build an entirely new and larger parking lot in its place. The Headstart playground was removed and will be relocated for the parking expansion. Sometimes to build sustainably you have to bulldoze something first. Diabetes Coordinator Sherry Taylor stated that project completion is projected to be October 1, 2018. The new wellness center will be larger than its current facility with more space.

The Fallon Tribes Health Fair & Grand Opening Event for its new wellness center is scheduled for Thursday, October 25 at 10:00 a.m. More information about this upcoming event will be announced at a later time, this will be a public event that you all won’t want to miss. This new facility is an exciting development project that will benefit the members of the Fallon Paiute-Shoshone Tribe for the health and well-being of our people and its community. Thanks to the facility’s large new parking lot, the event will be hosted right on-site to draw attention as well as celebrate its grand opening.
I attended the graduating honor ceremony and reception which was held June 22, 2018 at the Fallon Tribal Gymnasium. Vice Chairman Yvonne Mori, Tribal Treasurer Jon Pishion and myself had the privilege of handing out certificates to the graduates. Congratulations to all graduates and we wish you success with all your future endeavors.

I attended the AMERIND Risk/NAIHC Training where I learned more in depth about 184 Loan Program, owning a mortgage, property coverage and understanding AMERIND and what they provide.

The Fourth of July is right around the corner, and I hope everyone enjoys one of the many professional fireworks shows near you.

Committee Openings:
- Natural Resources – 2 vacancies
- Senior Committee – 2 vacancies
- Election Committee Member – 1 vacancy
- Election Committee Alternate – 2 vacancies

Committee applications received after a Council meeting agenda deadline will be processed at the following meeting.

Parade starts at 10 AM at the Old High School. Picnic in the Park to follow parade at 10:30am.

Churchill County, Nevada is an equal-opportunity employer and provider.
CY2017 Audit Complete - No Findings for 6th Straight Year

On behalf of the Council and the Tribe, I am pleased to announce to the tribal membership that the CY2017 Audit has been completed and there were no findings or issues of material weakness that the independent auditing firm found in the Tribe’s finances.

On June 12, 2018, Sam Mansour, CPA, with Stauffer & Associates, PLLC, Certified Public Accountants, made a presentation to the Fallon Business Council and audience at its regular meeting. Mr. Mansour went over a slide presentation that he handed out regarding the audit, the Tribe’s financial status, the strong financial position that the Tribe is in, and that there were no findings to report.

This will be the first of a two-part report on the Tribal Audit in order to avoid putting too many pages at one time in the Numa News. In this issue is a copy of the majority of the slides are included in this issue of the Treasurer’s Report. The following issue will include some charts and information regarding the overall financial status of the Tribe.

This is the 6th straight audit in the row that the Tribe has had no findings starting from the 2012 Audit completed by three independent auditing firms.

As the Treasurer I would like to thank all of the Finance Department staff that played a major role with ensuring another clean audit, as well as thanking all of the tribal departments and programs that also work hard with the budget and procurement actions to comply with both tribal policies and federal regulations. Without both the Finance Department and all of the departments and programs working together, I don’t think the Tribe would be where we are now in terms of our financial management and controls. We are considered a low-risk grantee by the federal government due to the audits with no findings and no material weaknesses and we hope to continue this trend in the future.

Settlement Fund Performance Chart

![Chart showing Settlement Fund Performance from May 1, 2018 to June 26, 2018]
**Senior Water Rates**

In accordance with the Tribe’s Water/Sewer Account Procedures Policy, customers on the Tribe’s Reservation who are 65 years and older are eligible to receive a discounted water service rate of $6.00/month. If you want to take advantage of this rate, please bring proof of age to Finance and the new rate will be applied to your account beginning the next month. Please note we are unable to apply retroactive credit to your account for the senior discount.

**Discontinuing Service**

If you are planning on moving or closing your water and/or sewer account with the Tribe, you must notify us to close your account. You are still liable for all charges if your account is not closed with the Tribe and will still continue to be charged until closed.

**Payment Methods**

We accept the following methods of payment for water, sanitation, and natural resources (excluding housing):

- Cash
- Check
- Credit Card
- Money Order

Mail Checks or Money Orders to:
Fallon Paiute-Shoshone Tribe
Finance Department
P.O. Box 1709
Fallon, NV 89407

In Person Payments at:
Fallon Paiute-Shoshone Tribe
Finance Department
565 Rio Vista Drive
Fallon, Nevada 89406

---

**Returned Minor Trust Account Statements**

In late March the Finance Department mailed out statements to the parents/legal guardians of minor children and young adults who had active minor trust accounts with the Tribe. These accounts are from the annual per capita payments issued in December of each year. A number of statements were returned by the U.S. Postal Service due to a number of reasons. The list below are the names of individuals whose statements were returned. Please contact the Finance Department if your name or the name of your minor child is listed so we can get the statement distributed. Also please notify the Tribe’s Enrollment Office as they will be able to update the official mailing list for the Tribe. If you have any questions please contact the Finance Department. Thank you.

**Western Shoshone Education Trust Fund Scholarships**

The Western Shoshone Educational Trust Fund was established via the Public Law 108-270 with the mission of distribution of educational assistance for the Western Shoshone People who were eligible for the Western Shoshone Claims Judgment Roll, and/or individuals who prove to be lineal descendant of an individual appearing on the said judgment roll, and who satisfies all eligibility criteria established by the committee. This scholarship is designed to supplement undergraduate and vocational school funding for eligible applicants. For more information and applications please go the Committee website at:

DONATIONS & SPONSORSHIPS INFORMATION

Request Types. Donations are requests to the Tribe to support a cause, event, and/or entity typically without any requirements to promote the Tribe either directly or indirectly. Sponsorships are monetary or in-kind contribution given to an individual or organization in return for use of the Tribe’s name/facilities or to provide recognition/advertisement. Applicants can only apply either for a donation or sponsorship and the Tribe reserves the right to change the type when it considers a request.

Deadlines. Except for emergency assistance activities, requests must be received by the 1st of each month (except for urgent circumstances). The requests will be heard by the Council at their 2nd regular meeting of the month (subject to change). If the deadline date is a weekend or holiday the request must be filed before that date.

Donation Request Amounts. The amounts listed below represent the maximum an individual or organization can receive in a calendar year (January to December). Individuals or organizations may submit more than one request per year but cannot receive more than the total maximum amounts listed below per calendar year.

- Individuals: $250.00
- Organizations (non-majority PTST members): $500.00
- Tribal-Sponsored Team (tribal name/seed): $700.00
- Organizations (majority of PTST members): $600.00
- Local Cultural/Tribal Events (the event must be located on PTST lands or within Churchill County, Nevada): $1,000.00

Sponsorship Assistant Types/Amounts:

- Cash and in Kind goods and services are permissible as benefits to be provided to the Tribe to an applicant (Cash sponsorships cannot exceed $700 for events held on tribal lands and $500 for all other events/functions)
- Purchases of Goods and Services (cannot exceed $200 per function/event)
- Use of Tribal Facilities; Use of Tribal Name or Seal; Signage

Process. Individuals/organizations must complete and submit either a required Donation Request Form (Form FMP-21-1) or Sponsorship Request Form (Form FMP-21-5) and return it to the Tribal Secretary’s Office.

TRIBAL SENIOR EMERGENCY ASSISTANCE PROGRAM

DEADLINES & SUBMITTALS. There are no specific deadlines to submit an application - they are available from the Tribe’s Social Services Department.

PURPOSE OF PROGRAM. The purpose of this fund is to assist Fallon Tribal members who are 60 years of age or older with costs associated with an unforeseen health, safety, or home repair which would result in a tribal elder being without the necessities needed to maintain a healthy home environment or healthy quality of life.

RESTRICTIONS/LIMITATIONS.

1. Recipients are limited to one (1) request per calendar year (January – December).

2. In rare situations where the immediate health and safety of an elder is at stake, the Council may consider an additional request in a calendar year. The elder or representative must attach supporting documentation showing immediate health and safety issues. This request cannot be for the same item as the original approved request in that year and cannot be used for past-due and/or delinquent items or accounts.

3. The elder emergency assistance program is not designed to pay for:
   a. Ongoing regular payments but rather to assist an elder with an immediate dire situation and is typically a non-regular event;
   b. Reoccurring personal debts, or debts owed that the individual should anticipate or be expected to pay (e.g., house payments/rent, cable TV bills, court fines, child support, other forms of court-ordered restitution, credit card payments, car payments or other auto related costs, loan payments, etc.).
   c. Any monies owed to the Tribe and/or its programs/Departments.

4. If an individual has any delinquent account with the Tribe or owes money to the Tribe, he or she may not be eligible for emergency assistance. The Council, though, may waive this provision for situations involving emergency need and travel.

TERO SUMMER YOUTH WORKERS

10 Summer Youth workers were hired to work with various departments within the Fallon Paiute-Shoshone Tribe. This program will help the youth develop skills and gain work experience for future employment readiness. They will also attend trainings and presentations throughout the program.

TERO WORKSTATION

The TERO Department has a workstation available for those who need to type a résumé, update a résumé, job search, apply online for job opportunities or to do an online training. Please call to schedule an appointment. A printer is also available for your use.

FOOD HANDLERS CERTIFICATION

If you need food handlers’ certification, Indian Health Services provides FREE online training at [https://www.ihs.gov/foodhandler/](https://www.ihs.gov/foodhandler/).

$25 ONLINE OSHA 10 COURSE

**A credit card is required to pay for this class online. The TERO Department can reimburse FPST tribal members upon successful certification of this course.**

[www.careersafeonline.com](http://www.careersafeonline.com)

Choose the construction side and NOT the industrial. It takes 10 hours before it will let you print it out.

Instructions for the Online OSHA 10 Course:

- Go to link [www.careersafeonline.com](http://www.careersafeonline.com)
- Click on "For Individuals" (purple tab)
- Click on the "OSHA 10-Hour Training $25" (blue box)
- Select Buy Now under the "OSHA 10-Hour Construction Industry Training-$25 per Individual"
- Enter number in Quantity Box
- And click "add to cart"
- Verify your cart total
- And click "Check Out"
- Verify your subtotal again and click "Log in/Create Account and then checkout" (purple box)
- Enter your information if you don’t have an account and click create account when completed

Good Luck!

Call if you need assistance, you can also use the workstation in the TERO office to complete this course.
The TERO Department continually accepts applications. If your application is over one (1) year from the date you last submitted, a new application will need to be completed. Please stop by the TERO Office or pick one up; they are located near the front door of the Administration Building.

Training

If you are interested in attending trainings that are outside of the area or need help finding one, please let me know, I am happy to assist. TERO can help with some training costs for Fallon Paiute-Shoshone Tribal Members. Please call for more information at 775-423-6040.

There is no cost to attend. Snacks provided.

**CURRENT PROJECTS**

Diabetes Wellness Center – Currently under construction
Blue Building Project – This building is located next to the Tribal Gym. The roof was replaced and it is currently being painted.
Fireworks are a staple for Fourth of July celebrations in the U.S. The thrill of fireworks, however, can be dangerous. On average, 230 people visit the emergency room every day with fireworks-related injuries in the weeks around July 4. Most of these injuries are to the hands and fingers. Fireworks can also cause serious injuries to your eyes.

Typical fireworks injuries can be caused by firecrackers, bottle rockets, sparklers and more. Sparklers can burn at about 2,000 degrees, hot enough to melt metal! While the American Society for Surgery of the Hand (ASSH) encourages you to attend public fireworks displays, which are monitored for safety by a local fire department, here are some safety tips to follow while setting off fireworks at home:

- Never allow young children to play with or ignite fireworks. If older children are playing with fireworks, always have adult supervision.
- Avoid buying fireworks that are packaged in brown paper. This is often a sign that the fireworks were made for professional displays and could be dangerous. Make sure fireworks are legal in your area before buying or using them.
- Never place any part of your body directly over a fireworks device when lighting the fuse. Back up to a safe distance immediately after lighting fireworks.
- Never try to re-light or pick up fireworks that have not ignited fully.
- Keep a bucket of water or a garden hose handy in case of fire.
- Never carry fireworks in a pocket or shoot them off in metal or glass containers.
- After fireworks complete their burning, douse it with plenty of water from a bucket or hose before discarding it to prevent a trash fire.

The following precautions should be taken when attending a public fireworks display:

- Obey safety barriers and ushers.
- Stay a minimum of 500 feet from the launching site. Resist the temptation to pick up firework debris when the display is over. The debris may still be hot. In some cases, the debris might be “live” and could still explode.
William James Shoshone  
Fallon Paiute Shoshone Tribe

He is the son of Sheila Austin Shoshone of Fallon and James Shoshone of Owyhee, NV. William was on the Churchill County High School Greenwave football team starting his sophomore year thru his senior year in high school. He is currently employed at Fox Peak Cinema. After graduation, William plans on enlisting in the Navy majoring in mechanical engineering where he will see the world while obtaining higher education.

Chris Bagaforo  
Fallon Paiute Shoshone Tribe

Chris was born and raised in Fallon. His mother and step-father is Jackie and Edwin Conway. Chris’s father is Christopher Bagaforo who is of Pacific Islander descent from Guam. Chris is a recent graduate from Churchill County High School and plans to attend Western Nevada Community College in the fall to seek a degree in Criminal Justice.

OliviaRose Williams  
Fallon Paiute Shoshone Tribe

Daughter of Shawntay Williams of Carson City, NV and Gabriel Montgomery of Yreka, CA. OliviaRose will be graduating from Yreka High School on June 9, 2018. She has excelled in her high school studies and will graduate with a 3.4923 GPA. OliviaRose has been accepted to Humboldt State University in Arcata, CA and will begin there in the Fall of 2018 focusing her degree on Native American Studies. Her desire is to obtain a law degree and work primarily on indigenous issues. OliviaRose resides in Yreka, CA with her dad and family. She has learned many of her Karuk traditional ways and language and continues to expand on her native culture. Her maternal grandfather, Mike Williams from Fallon, NV has also shown her some of his traditional artistry with the makings of tule decoy ducks and tule basketry. Olivia has always been interested in and very proud of her culture, and her family has no doubt she will continue and share this knowledge forever. Congratulations OliviaRose!!!

Hunter Dean Hill  
Fallon Paiute Shoshone Tribe

Hunter Recently graduated from Churchill County High School for the 2017-2018 school year. Hunter’s parents are Kim and Bruce Hill. Hunter will be attending Spokane community College for welding and fabrication certification. Hunter plans on becoming a welding inspector. Congratulations Hunter
Skyla Renee’ Burden  
Fallon Paiute Shoshone Tribe  
Skyla graduated from Churchill County High School. She participated in theatre arts. She loves to sew, crochet as well as participate in cultural events like hand games and drum making. She likes to do volunteer work. She is working on her future plans.  
Congratulations Skyla

Timothy James Plummer  
is the son of Renee Cesspooch and Theodore Plummer Sr. but, raised with the help of his aunt Laurie Williams. He is a graduate of Pyramid Lake High School. His hobbies and interests are drawing, playing the guitar, and gaming. After graduation, his plans are to get a job and take care of his family. His dreams are to go to college and get a degree in animation.

Nara Mikhal Johnson  
Ft. McDermitt Paiute-Shoshone Tribe. Nara spent most of her high school years at Churchill County High School in which she participated in 3 years of theatre arts and sang in the choir group Minor Details. While at CCHS, Nara achieved the Best Actress Award at the Annual Academy Awards for her theatre arts work in acting and directing. Nara enjoys playing the guitar and participated in the annual Spring Jam. Nara loves animals and volunteered her time at the local animal shelter. Nara graduated a semester early from Lyon County School District on January 10, 2018 as she was eager to move on with her acting career. She recently attended a special premier of the movie she acted in called “Pluto”, part of the Impact 50 series, in which she played the role of Sarah. Nara will be auditioning this summer for acceptance into a theatre program to help her continue her dream of becoming an actress. Nara Mikhal Johnson is the daughter of Chantelle Johnson and the granddaughter of Kip and Michelle Sam. Nara loves to spend time with her nieces and nephews.

A graduating honor ceremony and reception was held June 22, 2018 at the Fallon Tribal Gymnasium. A ceremony acknowledging and honoring all graduates and their families. The Reception and program was from 6pm-8pm and began with an invocational by Reverend Ernie Hooper. Following Hooper, was Roy Redner who served as master of ceremonies for the evening. Vice Chairman Yvonne Mori welcomed attendees and encouraged the graduates to pursue their dreams no matter where they go in life and congratulated them for all the hard work and efforts. Each student was honored with a gift presented by Vice Chairman Yvonne Mori, Treasurer Jon Fishtic, and Secretary Laura Ijames.

The Graduation festivities included Young Chief a drum group that performed welcome and honor songs. Also there was a slide show created for each graduate with pictures provided by each student’s family.

A special Thank you to the Fallon Business Council, Education Department, Felicia Siyuja, Chantelle Johnson, Rosalinda Berreman, Parks and Recreation, Anthony Berreman, Housing, Young Chief, Roy Redner, Colton Tohannie, and all the volunteers and people who made this event possible. Congratulations to all our graduates!

On May 8-10, 2018 myself, and five other tribal staff attended a Tribal Action Plan Development Workshop in Columbia, South Carolina. A Tribal Action Plan (TAP) is a strategic plan to combat alcohol and substance abuse within your tribal communities. The workshop was a collaborative project of the U.S. Department of Justice’s National Indian Country Training Initiative, Bureau of Justice Assistance together with the Substance Abuse and Mental Health Services Administration.

Class Photo: Front row, left to right: Natalie Pacheco, Cynthia Wachsmuth. Second row, left to right: Felicia Siyuja. Third row, left to right: Sandra Hicks, Leslie Steve. Fourth row, left to right: Kae Ward
U.S. Department of Interior, BIA-WNA awarded the Land & Water Resources Dept. $48,485. The grant is one-time, non-recurring funding to provide financial assistance to the FPST to facilitate protection for the Tribe’s water rights.

USDA-Rural Development, Community Facilities Projects has awarded the Land & Water Resources Dept. a grant/loan to purchase a front-end loader. Other tribal departments who may also benefit from using this equipment include: wetlands, agriculture/tribal resources, water & sanitation, roads and the transportation dept.
FTHC PHARMACY POLICY: For patients coming in just to up their prescription refills, they will be asked to provide their PROOF OF INSURANCE to the Pharmacy. The Pharmacy will make a copy of the insurance card and your medications will be dispensed to you.

Reminder from the Pharmacy: This was announced in September 2017, “due to the high volume of prescriptions dispensed, there is a possibility of a 24-hour wait time for refills”. Please monitor your prescription levels and call to request refills prior to running out. If you have a great distance to travel to the FTHC, call in your request 24-hours in advance of your travel to the Clinic. Patients who have completed their Provider visit that day, will receive their prescriptions before they leave the clinic. Due to a staff shortage in Pharmacy, there may be a short wait time, however, patients will receive their prescriptions before they leave the clinic.

PATIENT REGISTRATION: Patients must update their Patient Registration information at every visit. This includes updating private insurance, Medicaid, and Medicare coverage. Please update any changes in your residential / mailing address, telephone numbers for yourself and emergency contacts. The Patient Registration department will verify your date of birth document, your Social Security card, driver’s license or your state ID card, and Tribal ID card.

FTHC uses this information to contact you if there is a change in your appointment date/time, or to update you on lab results. If your information is not correct or has changed since your last appointment, FTHC will not be able to contact you with this information. In your best interest, your personal telephone number should be different from your emergency contact number. If they are the same, the number is no longer in service, FTHC has no way to contact you. Thank you for your cooperation.

DIABETES PROGRAM IMPROVES SERVICES AT THE FALLON TRIBAL HEALTH CENTER.

The new vital signs wall units are here and ready to be placed into use. These will replace the outdated units that have been in service for many years. The Diabetes Program is attempting to give all our patients the best care possible, this includes our diabetics, pre-diabetics and those who may become diabetic. The new equipment includes the wall units and new scales. This new equipment which will enable you to have your vital signs and weight completed in each room. This ensure the privacy of each patient during triage.

We are also waiting the arrival of a state of the art emergency stretcher for our treatment room. The new stretcher can be lowered to within 4 inches from the floor and ease in loading and transport of all patients.

VENOMOUS SPIDERS

Only a few types of spiders have fangs long enough to penetrate human skin and venom strong enough to severely affect a human being. In the United States, these include the black widow spider and the brown recluse spider.

Black Widow

Black widow spiders are found throughout North America, but are most common in the southern and western areas of the United States. They are identified by the pattern of red coloration on the underside of their abdomen. They are usually found in work places containing undisturbed areas such as wood-piles, under eaves, fences, and other areas where debris has accumulated. They may also be found living in outdoor toilets where flies are plentiful. Black widows spiders build webs between objects, and bites usually occur when humans come into direct contact with these webs. A bite from a black widow can be neurotoxin that produces pain at the bite area and then spreads to the chest, abdomen, or the entire body.

Brown Recluse

The Brown Recluse spider, also known as the violin spider, is commonly found in the Midwestern and southern of the Country. It is brown in color with a characteristic dark violin-shaped (or fiddle-shaped) marking on its head and has six equal-size eyes -most spiders have eight eyes. Brown recluse spiders are usually found in workplaces with secluded, dry, sheltered areas such as underneath structures logs, or in piles of rocks or leaves. If a brown recluse spider wanders indoors, they may be found in dark closets, shoes, or attics. The brown recluse spider cannot bite humans without some form of counter pressure, for example, through unintentional contact that traps the spider against the skin. Bites may cause a stinging sensation with localized pain. A small white blister usually develops at the site of the bite. The venom of a brown recluse can cause a severe lesion by destroying skin tissue (skin necrosis). The skin lesion will require professional medical attention. When to see a doctor: Seek immediate medical attention if:

* You are unsure whether the bite was from a poisonous spider.
* The person experiences severe pain, abdominal cramping, or a growing ulcer at the bite site.
* You have difficulty breathing.
* Your doctor may recommend a Tetanus booster shot if you have not had one in the last five years.
CIRCLES OF CARE: What is it?
The COC is a 3-year project to provide tools and resources to plan and design a holistic, community-based, coordinated system of care approach to support mental health and wellness for children, youth and young adults from birth through age 25 and their families. The project will promote and facilitate youth, families, community members and tribal leaders to be involved, participate and have a voice in the planning and development of a system of care model, in addition to collaboration with youth serving agencies.

Cheri Bowen, Project Manager, 423-3634, ext. 234
Cynthia Wachsmuth, Community Coordinator 423-3634, ext. 236

July is National Minority Mental Health Awareness Month
There’s a virus spreading across America. It harms the 1 in 5 Americans affected by mental health conditions. It shames them into silence. It prevents them from seeking help. And in some cases, it takes lives. What virus are we talking about? It’s stigma. Stigma against people with mental health conditions. But there’s good news. Stigma is 100% curable. Compassion, empathy and understanding are the antidote. Your voice can spread the cure.

Monday through Friday, 8:00 a.m. to 5:00 p.m.

Debra Erickson, BA, Recovery Support Coach
Monday through Friday, 8:00 a.m. to 5:00 p.m.
For more information or an appointment contact 423-3634.

Tribal Advisory Committee (TAC) TUESDAY July 3rd, 10-12 noon at 999 Rio Vista, Fallon, NV
Anyone is welcome to come and listen, participate and have a voice regarding our Mental Health & Substance Abuse Programs.
Congratulations to the students who were recognized during the Fallon Paiute Shoshone Tribal 4th Quarter Student Recognition Night. The event was held at Churchill County Indoor Swimming Pool on Thursday, May 31. Tribal Council Member Natalie Pacheco honored each student with a certificate and praised students for their exemplary academic efforts, perfect attendance, outstanding effort, citizenship and athletics. Roy Redner did a great job in facilitating the event and kept the kids focused on the forum’s key message about the importance of education.

Following the recognition, they served sub sandwiches, fruit, chips and drinks. The education staff made cupcakes for the event also. We would like to thank the Fallon Business Council for their support throughout the school year. A big thank you to Roy Redner, Felicia Siyuja, Anthony Berreman, Chantelle Johnson, Pamela Henson and Rosie Berreman for all their hard work that they put into each recognition event to recognize our youth.

Have an upcoming event or community announcement? Make sure it’s in the Numa News Newsletter!

The Fallon Paiute-Shoshone Tribe provides a venue to list/post upcoming events and community announcements in its Numa News publication. This service is being offered to provide people with an opportunity to share information with the members of the Fallon Paiute-Shoshone Tribe. If you have an event or announcement of public interest you may email tribalnews@fpst.org or by mail to 565 Rio Vista Drive, Fallon, NV 89406 (Attn: Numa News) for consideration. For events include the event name, date, time, location and event website, along with a brief description and contact information. The Tribe is not responsible for inaccurate information, including but not limited to incorrect dates, times, and locations, published in the newsletter. All information should be submitted by the 1st of the month for approval prior to publish in the next month’s edition. The Tribe reserves the right to decline event submissions, as well as to edit event information for length, spelling, clarity, and language. The newsletter is not intended to be used as a promotional vehicle for commercial interests or events (unless from Fallon Tribal programs/entities). References or hyperlinks in the Numa News to any individual or entity are for informational purposes only and are not an endorsement by the Tribe or Council. The Tribe is providing no legal, accounting or other professional advice by including references to any entity or individual. Deadline is the 1st of each month due/month!
