

Daehan Solution is Hiring in our Fernley Facility

(aka Old Amazon Building)

We need:

Production Workers for our high tech production facility.

We manufacture automotive noise reduction parts for Telsa.

Harmony. Creativity. Over-Coming Challenges

Do you have the unerring desire to stand beside your team mates while working to overcome challenges? Are you loyal to your vision of integrity, work ethic, and quality production? Then we are the company for you. Use the latest generation of robotic and human generated production methods, and combine them with your honesty, integrity, accountability and belief in mutual growth and respect to create a product you can believe in. To top it all off you get to put you fingerprint on every TESLA M3!
