APPENDIX OF AUTHORIZED FORMS ........................................................................................................................................ 43
14-010 GENERAL PROVISIONS

14-010-010 Authorization
This Law and Order Code, Title 14, is authorized by Article IV, Section 2 of the Constitution and Bylaws of the Fallon Paiute-Shoshone Tribe of the Fallon Reservation and Colony.

Tribal Constitution & Bylaws, Article IV, Section 2(a)
“All elections, whether for Council or by way of referendum, shall be conducted in accordance with an Ordinance, or ordinances adopted by the Council, which shall provide for election notices, polling places, ballots, election committees and their duties, and other necessary requirements. All elections shall be by secret ballot.”

14-010-020 Purpose
The purpose of this Title 14 is to set forth the rules and procedures for the fair and impartial conduct of tribal elections, including but not limited to pre- and post-election activities.

14-010-030 Applicability
The provisions of this Title 14 shall apply to all regular and special elections.

14-010-040 Severability
If any provision of this Title 14 is declared invalid by a court of competent jurisdiction, all remaining provisions of this Title 14 nevertheless shall remain in full force and effect.

14-010-050 Privacy Act
All provisions of this Title 14 shall be subject to the provisions and applications of the U.S. Privacy Act of 1974 [5 USC Sec. 552a].

14-010-060 Time of Regular Election
A regular election shall be held every even-numbered year (i.e. 2016, 2018, 2020, etc.) on the first Saturday in October for the purpose of electing Council members and for voting upon other matters properly considered in accordance with the provisions of this Title 14.

14-010-070 Sovereign Immunity
Except where expressly provided otherwise in this Title, nothing in this Title shall be construed as limiting, waiving or abrogating the sovereign immunity of the Paiute-Shoshone Tribe of the Fallon Reservation and Colony or any of its agencies, departments, enterprises, agents, officials or employees.

14-010-080 Postponement of an Election in Emergency Situations
An election, regular or special, may be postponed for up to ninety (90) days should any of the following situations arise:

(a) A natural or other disaster or extremely inclement weather has occurred that would seriously impact the healthy/safety of a majority of voters to make it to the polling place as evidenced by a Declaration of Emergency issued by the governor of the State of Nevada or the President of the United States; or
(b) During an armed conflict involving United States armed forces, or mobilization of those forces, in which the conduction of an election would expose a majority of voters to serious injury or death, as evidenced by a Declaration of War or Police Action adopted by the U.S. Congress; or

(c) Serious and significant violations of this Title 14 would make it impossible to hold a fair and impartial election. A violation shall be defined by any action or inaction that negatively impacts the voting rights of a majority of eligible voters.

i) The use of this subsection (c) must be evidenced first through a notice from the TEC, in whole or part, indicating the violations that have occurred or are occurring along with evidence to support such notice. Then the Business Council must issue, by Resolution, a Declaration for the Postponement of a Scheduled Election, which must contain information on the violations that are cause for the postponement, the date of the election being rescheduled, and the new election date. Such declaration must be adopted by at least five (5) members of the Council and also have the approval of the Chief Judge of the Fallon Tribal Court. The FBC Secretary/Designee and the Chief Judge shall both sign and acknowledge the declaration. For purposes of the above section, all members of the Council shall either vote for or against the declaration with no abstentions permitted.

ii) The provisions of this subsection (c) shall only apply to situations that arise after finalization of the ballot. Situations arising prior to this activity shall be considered to be a minor violation and must be handled in the normal Challenge process of the Tribe;

(d) Should the postponement of the election for violations of the Title 14 occur because of the actions of the TEC and such actions were intentional or done with malice, then the involved committee members shall be removed automatically.

14-010-090 Revisions to the Title 14 - Election Ordinance

(a) There shall be no revisions of Title 14, any other ordinance or Law and Order Code of the Tribe dealing specifically with tribal elections during the course of an election period, which is defined as from the first day of March through the last day of December of an election year.

1) The TEC shall submit to the FBC in writing each section that it proposes to amend (with redlined revisions), with an explanation why these amendments are necessary;

4) The TEC shall then submit the proposed amendments to the FBC Secretary for Tribal Attorney review;

5) Once reviewed, the FBC Secretary will place the proposed amendments on the agenda for the next FBC regular meeting for approval by Resolution or denial.

CRIMINAL BACKGROUND CHECK NOTICE AND AUTHORIZATION

Pursuant to the Constitution & Bylaws of the Fallon Paiute-Shoshone Tribe, individuals are not eligible to serve on the Fallon Business Council if they have ever been convicted of any felony or gross misdemeanor in any Indian, State or Federal Court. A Candidate must authorize the Tribe to obtain a background check if they wish to be elected into office.

I have been informed and understand that the Fallon Paiute-Shoshone Tribe requires that I must clear a criminal history investigation that includes a search of Tribal, State and Federal (FBI) criminal history records for the purpose of holding office as a Fallon Business Council Officer/Member.

I understand that the Fallon Paiute-Shoshone Tribe may use the information received as a result of the criminal history investigation in determining whether I qualify as a candidate in the current election. Should the search result in valid negative information, I understand that I will be disqualified as a candidate or will not be seated on the Fallon Business Council.
