Student Learning:

Here is the website for information regarding ChurchillCSD school's online learning plans:

<http://bit.ly/ccsdlearningfromadistance>

- Many important announcements are available on the front page of this website.
- Should anyone have questions throughout the day, please email the teacher directly or call 775-423-5184 (after message, the phone will ring to Selena Gomes's line) and leave a message. Messages are checked throughout the day and will be forwarded to the right person who can help!
- Please visit the website above for instructions regarding Learning From a Distance for each school in the District. Each school has a site which should be checked to gain further information regarding day to day activities.
- Students should NOT consider the school closure as an extension to Spring Break.
- **Beginning Wednesday, March 18**, students will begin remote learning via distance learning methods available through weekly materials provided on bit.ly/ccsdlearningfromadistance or from materials that have been shared through your child's school (messages would have been sent).
- Student engagement and participation will be documented.

Students Requiring WiFi Access

The district has posted surveys for elementary and MS/HS regarding the need for internet service. We ask that anyone with internet connectivity or availability of using wireless devices as hotspots please do so during this time. We will begin helping students at the secondary gain access and then move on to elementary students' households that are still in need.

- Ready Mix, 1550 Auction Rd
- Doi Dicutta at Reservation Rd
- Wade Ln at Old River Rd

Spring Break

In an effort to protect more in-person learning time with students, we will be moving ChurchillCSD's Spring Break to March 30-April 3. While we understand that this may cause some difficulties for families, students, and staff, we believe that this move is the right one for kids! Spring break is NO longer April 13-April 19.

Please be aware that conditions associated with the school closure may change at any time. More guidance will be provided if the details change.

ChurchillCSD encourages parents to assist in the effort to contain the potential spread of COVID-19 by keeping their children at home, by avoiding large private gatherings (more than 10 people), reinforcing proper hygiene techniques and maintaining social distancing. ChurchillCSD will react to all changing conditions associated with the virus or guidance from governmental agencies.

Please continue checking the Churchill County School District website ChurchillCSD.com and our social media sites for further updates.
