COMMUNICATION NOTE

Wednesday, April 1st, 2020, 9:30 a.m.—Update from ChurchillCSD

Check out bit.ly/ccsdlearningfromadistance for more information

No April Fools Jokes today! Please know that we understand the difficulty that the current situation has created, and know that we are going to keep working diligently to help all of our learners and families during this time.

Extended School Closure NOW THROUGH APRIL 30th:

In alignment with the Federal guidelines extending social distancing and other measures to slow the spread of COVID-19, Governor Sisolak signed additional measures this morning extending the school closures through April 30th. With that being said, the district will regroup a bit on Monday, April 6th to do some further planning for the remainder of the closure. We want to ensure that all learners are getting access to materials and learning opportunities AND that everyone's emotional health is supported!

CRITICAL NOTE: All students ABSOLUTELY need to continue to do the work that is coming out from teachers, PreK through 12th-grade. The time spent learning from a distance is still counting as school days and expectations still exist that people are doing their best work and trying to meet the standards and expectations of each course and grade level. Teachers will continue to reach out to all students via phone calls or emails to answer questions, provide instruction, and help in any way they can. We continue to work on what is needed for seniors to graduate, so keep working seniors!!

Additional Information from the District

Technology Update

- If you still need [help securing internet](#) for your child to continue Learning From a Distance, please contact Nate Waite: waiten@churchillcsd.com. He will call back (it may be from a number you don't recognize, so we ask that you answer if you can).
- The district is continuing to work on solutions for getting Chromebooks out to students and working on a solution for fixing existing Chromebook issues. This will be shared out on Monday, April 6th.

Food Services Update

To better serve ChurchillCSD families, we have added 3 more sites for the remote drop-off routes.

Beginning Monday, April 6th, 2020 Food Services will now be offering pick-up sites at Allen Road/Mt. View, Serpa Way/Broadway Street, and Silver State/Gummow Road. These sites will also have WiFi access

Remote drop-off pick-up times will remain the same (10:00 a.m. to 11:00 a.m.) and all buses will continue to offer wifi services (except for Bus 53 @ Churchill Village).

To view all Food Services pick-up locations, visit bit.ly/schoolclosureupdates

Plant a Victory Garden

Food Services will be distributing Victory Garden seed packets with bag lunches this Thursday, April 2, 2020! Packets can also be picked up at the following locations in the community: The Churchill County Library, Fallon Chamber of Commerce, Telegraph Coffee, and I7 Meat & Cattle.

Ready4K Text Messaging Service

ChurchillCSD is thrilled to offer Ready4K—a fun, text-based program for children age birth through 4th-grade to keep them learning and developing! Beginning Monday, March 30th, 2020 ChurchillCSD parents of children PreK through 4th-grade will receive 3 age-appropriate texts each week as part of our strategy to keep families engaged in their child's development. The information entered in your Infinite Campus Parent Portal

There is no app to download, and no data plan required. Message and data rates may apply, and you can opt-out at any time.

Nevada Census 2020

Up through yesterday, Churchill County led Nevada in the completion of the census. Keep it up!!

Nevadans can receive \$20,000 for every single person that's counted for over the next 10 years. This funding will go towards our schools, veterans, healthcare and children's programs. Go out and complete your #NevadaCensus at census.nv.gov now!

Complete your census, and share with others that you completed it. It's important, safe and easy.

How to respond: There are three ways for Nevadans to complete the census starting March 12th:

- Online: visit census.nv.gov
- Phone: call English: 1-844-330-2020; Spanish: 1-844-468-2020
- Mail: most Nevadans will receive a census invitation in the mail.
Census IDs are NOT needed for online/phone response.
