**\*\*\* MEDIA ADVISORY \*\*\***

## **Announcement of Nevada Hero of the Day, April 30, 2020**

Nicole Lamboley is the president and CEO of Food Bank of Northern Nevada. Nicole and her team recently worked with the Washoe County School District to distribute meals for children at 24 locations throughout the county. The team also partnered with the Reno-Sparks Convention Center to establish a remote warehouse and packing facility to help with distribution of emergency boxes. They also worked with local partners to expand food distribution efforts, including the Grand Sierra Resort, Reno-Stead Airport, Greater Nevada Field, Meadowood Mall, Desert Skies Middle School, RTC and Sparks Christian Fellowship.

During challenging times, it's important to recognize the good we see. Every day, heroes among us are taking care of their neighbors, showing up to work at their essential jobs, working on the front line, saving lives, or just staying home for Nevada. Thank them when you see them. Nominate your hero by sending their name, photo and a brief description to [NevadaHero@gmail.com](mailto:NevadaHero@gmail.com). Heroes will be highlighted on the Nevada Health Response [Twitter](#), [Facebook](#), and [Instagram](#) accounts.
