

Recycling: The Do's and Don'ts

Our local transfer station only accepts plastics 1&2's. Look on the bottom of the plastic container for the code.

1—PET/PETE (Polyethylene Terephthalate)

2—HDPE (High Density Polyethylene)

NO CAPS - Bottle caps are made from a different kind of plastic which IS NOT recyclable. Please discard caps appropriately.

• ALUMINUM CANS

• STEEL (TIN)CANS

• NEWSPAPER

• MAGAZINES

• CORRUGATED CARDBOARD

(BROKEN DOWN, FLATTENED)

Small Items: A good rule of thumb is if the item is smaller than your hand, it's too small for recycling. These items act as litter and can ruin equipment, get stuck or jammed, and end up on the sorting floor.

Pizza boxes are made from corrugated cardboard, however the cardboard becomes soiled with grease, cheese, and other

foods once the pizza has been placed in the box. Once soiled, the paper cannot be recycled because the paper fibers will not be able to be separated from the oils during the pulping process.
