

# FALLON TRIBAL HEALTH CENTER

Issued 10/27/2020

## **HEALTH CENTER TEMPORARILY CLOSED; PHARMACY STILL OPEN FOR SERVICES**

**Effective Tuesday, October 27 through Thursday, October 29  
(closed on Friday for Nevada Day)**

The Fallon Tribal Health Center will be temporary closed for all services, except Pharmacy, for the remainder of this week due the possibility of Covid-19 exposure within the tribal offices. This include all Health Center facilities (main building, Substance Abuse/Circles of Care, and Wellness Center). We are also rescheduling the Fallon Covid-19 testing from tomorrow (Weds.) to next week (see below).

This is in line with the direction from the Tribe to temporary close all its facilities and for employees to self-quarantine until tested. This is being done to prevent any potential exposures and for the safety of the employees and tribal members.

**The Pharmacy will remain open to fill prescriptions at this time (individuals will not be allowed in the facility). Prescriptions will be brought out to the parking lot OR patients can call to schedule a delivery** (within Churchill County area).

This is a temporary measure until we can test FPST employees on Monday and hopefully resume services shortly afterwards. We will have staff answering our phones if you need refills or if you need additional information or assistance.

**We will be holding a special rapid testing on Tuesday, November 3, 2020, from 9am to 12 pm at the Toi Ticutta Wellness Center for the FPST Community. Please call 423-3634 to schedule an appointment.**

**FALLON TRIBAL HEALTH CENTER**  
1001 Rio Vista Drive • Fallon, Nevada  
Tel 775.423.3634 • Fax 775.423-2287

If you have any questions, please call the Tribal Health Center at 775.423.3634. Thank you.
