HIGHER EDUCATION PROGRAM APPLICATION

Applicant:

Enclosed is the application packet you requested for the Higher Education Program. If you are a first time applicant, the Higher Education Policy is also enclosed. This policy explains the requirements and procedures for the Higher Education Program, please read it and become familiar with it.

Keep in mind that this application represents you. Many times the application is the first impression you make. To assist you in making a positive impression, we have listed a few recommendations below:

- ❖ You should read the entire document before you start to complete the application.
- ❖ Complete each form neatly and accurately.
- ❖ **Supply all the information requested of you, and submit the application before the stated deadline dates.**
- ❖ Please type or write neatly, as it is often difficult to read home addresses, e-mail addresses, and telephone numbers.
- ❖ **Include the full address and telephone numbers to the school you will be attending.** Sometimes it is faster for the FPST Education Department to contact the school directly concerning your file.
- ❖ If the application is faxed, please mail the hard copy.
- ❖ Do not leave any question blank.
- ❖ Please do not state, "You already have that information." If the application should ask for addresses and telephone numbers, it is your responsibility to supply the information. Make the extra effort to secure the correct information.
- ❖ Read and verify all items before you sign any document.
- ❖ For your records, make a copy of each document, after it is completed.

Please be advised, tribal funding will only meet a portion of your unmet need. It is your responsibility to know the expenses of the University or College you are attending and to apply for other scholarships and research other funding sources. There will be no emergency funds or other funds available beyond the award you receive.

If you need assistance during any portion of completing this application process, please contact the Education Office at (775) 423-8065, extension 222 for Education Director or extension 228 for Education Specialist.
